# Learning A-Z
A Cambium Learning Company

The K-5 Reading Solution that helps teachers do more

Reading A-Z is where teachers go to get everything they need to teach reading

Reading A-Z.com was ranked #1 in an independent survey of 18,000+ K-5 teachers*! The reading resource website built just for teachers, Reading A-Z contains thousands of printable and projectable books at 27 levels of reading difficulty, along with shared reading books, materials for literature circles, phonics and phonological awareness resources, close reading packs and lessons to meet Common Core ELA standards, and much more. A 2013 BESSIE and CODiE Award Winner.

Raz-Kids is where students go to get anytime/anywhere access to independent reading practice

Raz-Kids.com is an interactive reading website where students get the important reading practice they need to gain confidence and advance from level to level! As students read, teachers can make assignments, monitor progress, do online assessments, and listen to student recordings to test fluency — all from their laptop. A 2013 CODiE Award Winner.

When you order both websites, you get our "Best Value" discounted pricing

When you combine Reading A-Z and Raz-Kids — also known as the Learning A-Z Reading Solution — you unlock all the resources and benefits of each site in addition to an enhanced version of the Book Room on Raz-Kids. Unlike the regular Book Room on Raz-Kids, customers of the Reading Solution get an **additional 750+ Reading A-Z eBooks and eQuizzes**, meaning teachers can seamlessly connect their instructional tools on Reading A-Z to what students are doing on Raz-Kids. Then, when a teacher sees from a Raz-Kids assessment that a student needs more help with a particular skill, the teacher can easily give "just right" Reading A-Z resources for the student. **That's called instruction and practice with a purpose**. And that's why Reading A-Z and Raz-Kids, when combined, are the perfect K-5 Reading Solution.

We have an app for even more reading practice!

When you order both Reading A-Z and Raz-Kids, you can download our free app for iPad and Android tablets. Through the app, students can practice reading and taking quizzes from the Book Room on Raz-Kids.
