

Raz-Kids Mobile App — Ready, Set, Read

The education subsector of the US tablet market has grown by an explosive 103% year-on-year according to market research firm IDC. With technology at their fingertips, through the Raz-Kids Mobile App, students are encouraged to read anytime, anywhere on their iPad, Android, or Kindle Fire tablets. And with a subscription to Raz-Kids or the Reading Solution, it's FREE!

For Raz-Kids Only Users

- 400+ interactive eBooks students can listen to, read, and even record themselves reading so teachers can monitor fluency
- Corresponding eQuizzes automatically test comprehension and provide teachers with skill reports for data-driven instruction
- Hundreds of Spanish eBooks to support ELL and Bilingual students
- Affordable online reading resources **starting at \$99.95/classroom**

LEARNING A-Z
