

# 10 Raz-Plus Features You Should Be Using

To provide a comprehensive blended learning approach to literacy, you should be using...

## 1. Books in Multiple Formats

Developmentally appropriate content in printable, projectable, online, and mobile formats, complete with ancillary lesson plans and support materials for instruction and practice.

Located under the Resources tab > Books > Leveled Books

## 2. Assignments

Ability to easily assign single or multiple digital books and additional reading resources to the whole class, small groups, or individual students.

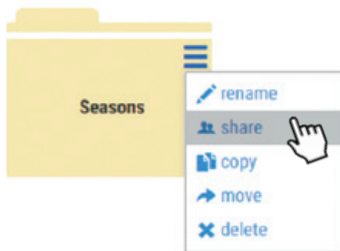

Available on main resource pages, individual resource pages, and search results

## 3. Interactive eBook Tools

Digital annotation and journaling tools that support close reading, critical thinking, and focusing on the essential understandings of each eBook.

Available with every online and mobile eBook

## 4. Shared File Cabinet

Collaboration tools that make it easy to organize, save, and share all your favorite resources with teachers on your product license.

Located in the File Cabinet > Shared Files

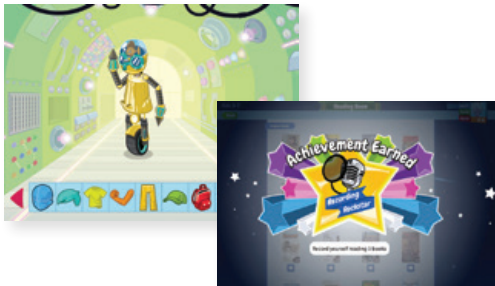

## 5. Two Student Portal Designs

Two different designs for the student-facing environment that provide flexibility and meet the changing needs of students as they grow.

Located in Kids A-Z > My Classroom > Class Roster > Raz-Plus tab > Student Portal column

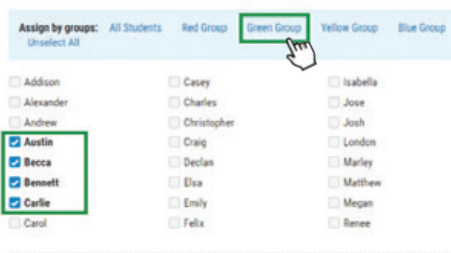

Revised 072018

## 6. Student Incentives and Rewards

Customizable Avatar Builder and badges that reward students for achieving milestones and motivate them to complete more activities.

Located under Teacher Corner > Incentives and Awards

## 7. Groups in Your Roster

Ability to create student groups based on skill level, interest, or project, to make it easier to assign resources and monitor student progress.

Located in Kids A-Z > General Tab

## 8. Standards and Correlations

Easy-to-use tools to help teachers quickly find the right resources to align with instruction and assessments.

Available from the Raz-Plus home page or the Teacher Corner

## 9. Reports

Detailed individual student and class-wide reports that help teachers monitor online activity and growth.

Located in Kids A-Z > Reports

## 10. Reading Room Customization

Flexibility to customize the content students have access to in the Reading Room, including specific world languages.
