

Cambium Learning Group Products Receive Seven Finalist Honors for Prestigious Software and Information Industry CODiE Awards

DALLAS, TX – April 2, 2013 – Cambium Learning Group (NASDAQ: ABCD), a leading educational solutions and services company committed to helping every student reach their full potential by providing evidence-based solutions and expert professional services, announced today that three of its business units, ExploreLearning, Learning A-Z, and Voyager Learning, received seven finalist honors in the prestigious SIIA CODiE Awards.

Established by the Software & Information Industry Association (SIIA), the CODiEs recognize excellence and achievement in the business software, digital content, and education technology industries. This year's program featured 23 Education categories, several of which were new or updated to reflect the latest industry trends and business models.

“Cambium Learning Group is honored to receive finalist honors from SIIA year-after-year. This is a testament to the company's commitment to provide innovative technology tools to improve teacher effectiveness and student learning across the world,” says John Campbell, chief executive officer, Cambium Learning Group, Inc.

The following Cambium Learning Group products are 2013 finalists:

Best Solution for Special Needs Students

- Raz-Kids, Learning A-Z

Best Reading/English/ELL Instructional Solution

- ReadingA-Z.com, Learning A-Z

Best Science/Health Instructional Solution

- ScienceA-Z.com, Learning A-Z
- ExploreLearning Gizmos, ExploreLearning

Best Education Game or Simulation

- VmathLive, Voyager Learning
- ExploreLearning Reflex, ExploreLearning

Best Mathematics Instructional Solution

- ExploreLearning Reflex, ExploreLearning

SIIA members will review finalists and vote for a winner in each category. Winners will be announced at the Ed Tech Industry Summit, in San Francisco on May 6.

For more information, visit www.cambiumlearning.com.

About the CODiE Awards

The CODiE Awards, originally called the Excellence in Software Awards, were established in 1986 by the Software Publishers Association (SPA), now the Software & Information Industry Association (SIIA), so that pioneers of the then-nascent software industry could evaluate and honor each other's work. Since then, the CODiE Awards program has carried out the same purpose: to showcase the software and information industry's finest products and services and to honor excellence in corporate achievement.

About SIIA

SIIA is the leading association representing the software and digital content industries. SIIA represents approximately 700 member companies worldwide that develop software and digital information content. The SIIA Education Division serves and represents more than 200 member companies that provide software, digital content and other technologies that address educational needs. The Division shapes and supports the industry by providing leadership, advocacy, business development opportunities and critical market information.
