

# GROWING SUCCESSFUL LEARNERS™

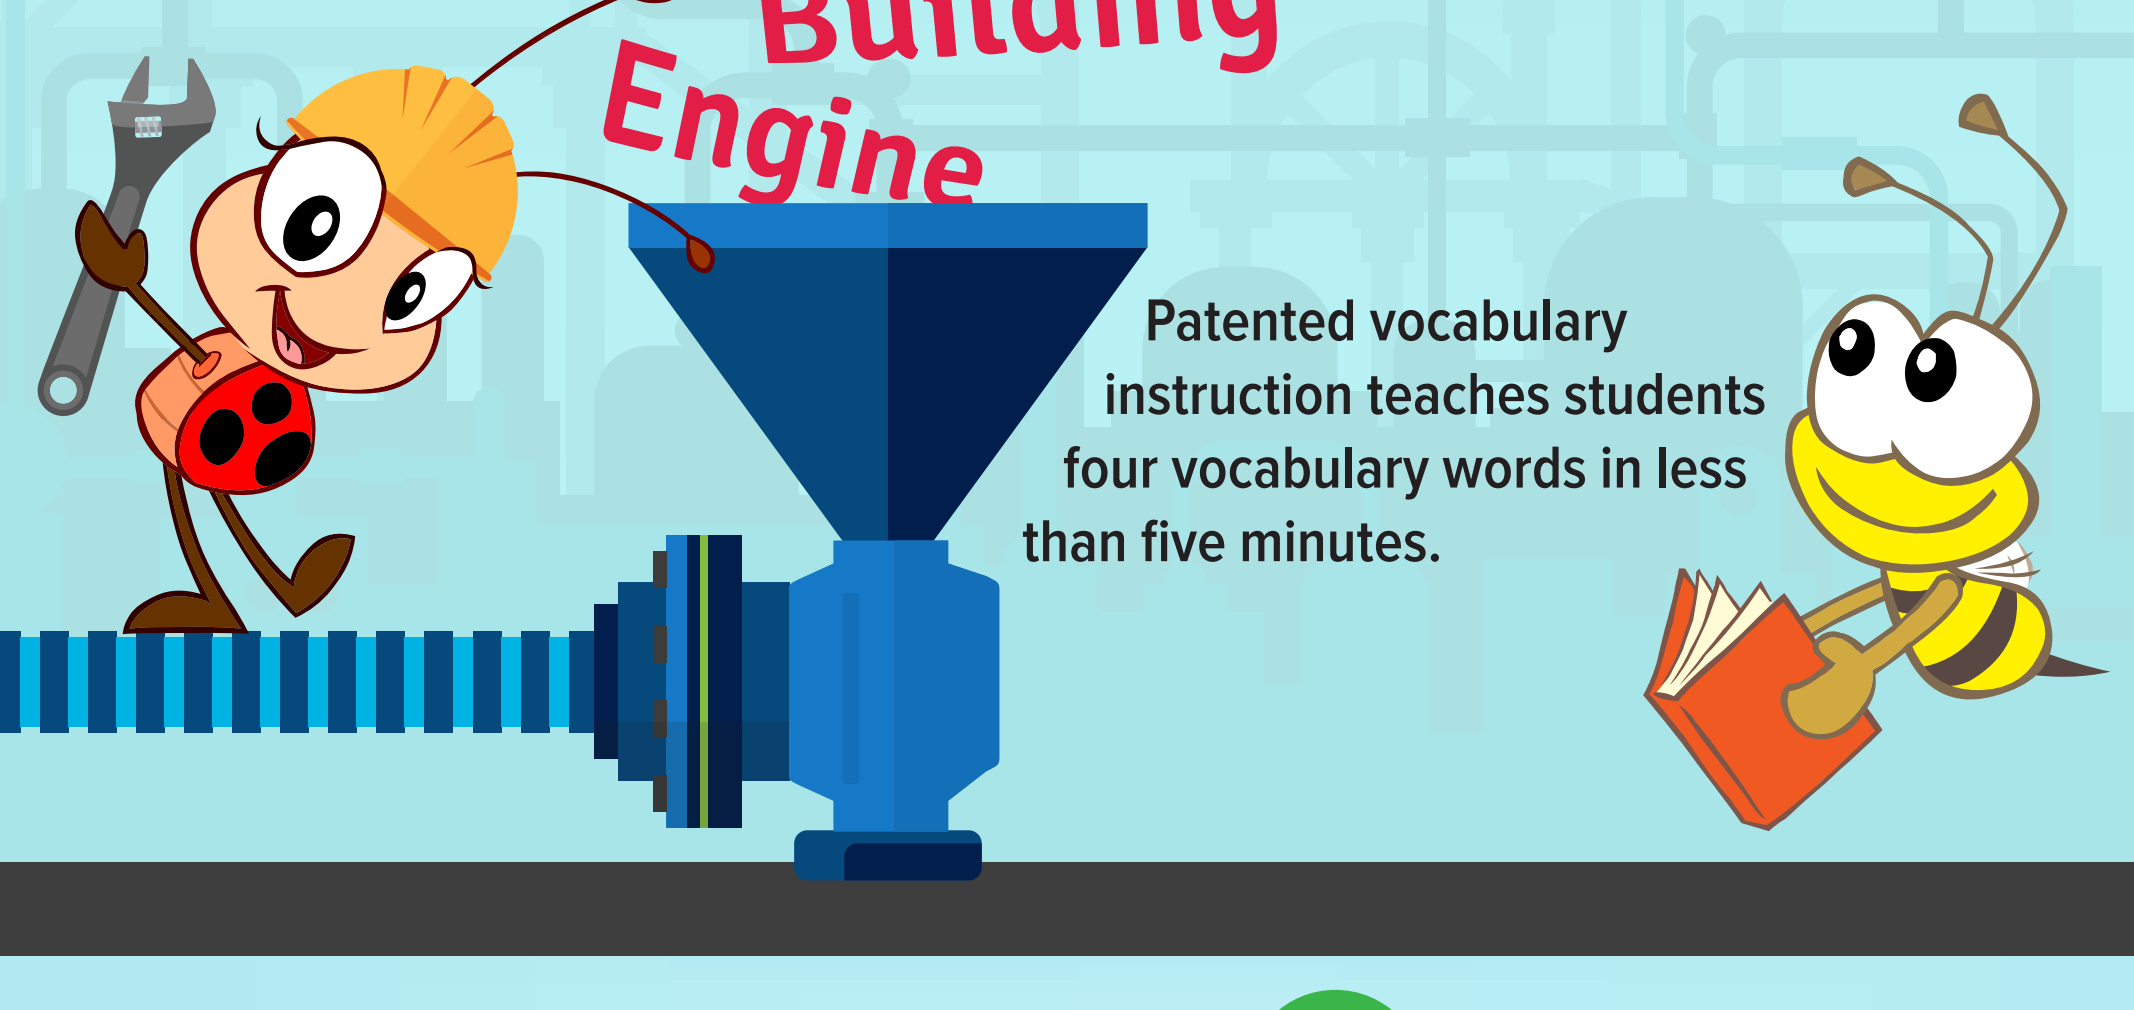

## FEATURES

### Continuous Instructional Sequence

Smart delivery method allows students to begin anywhere within the program.

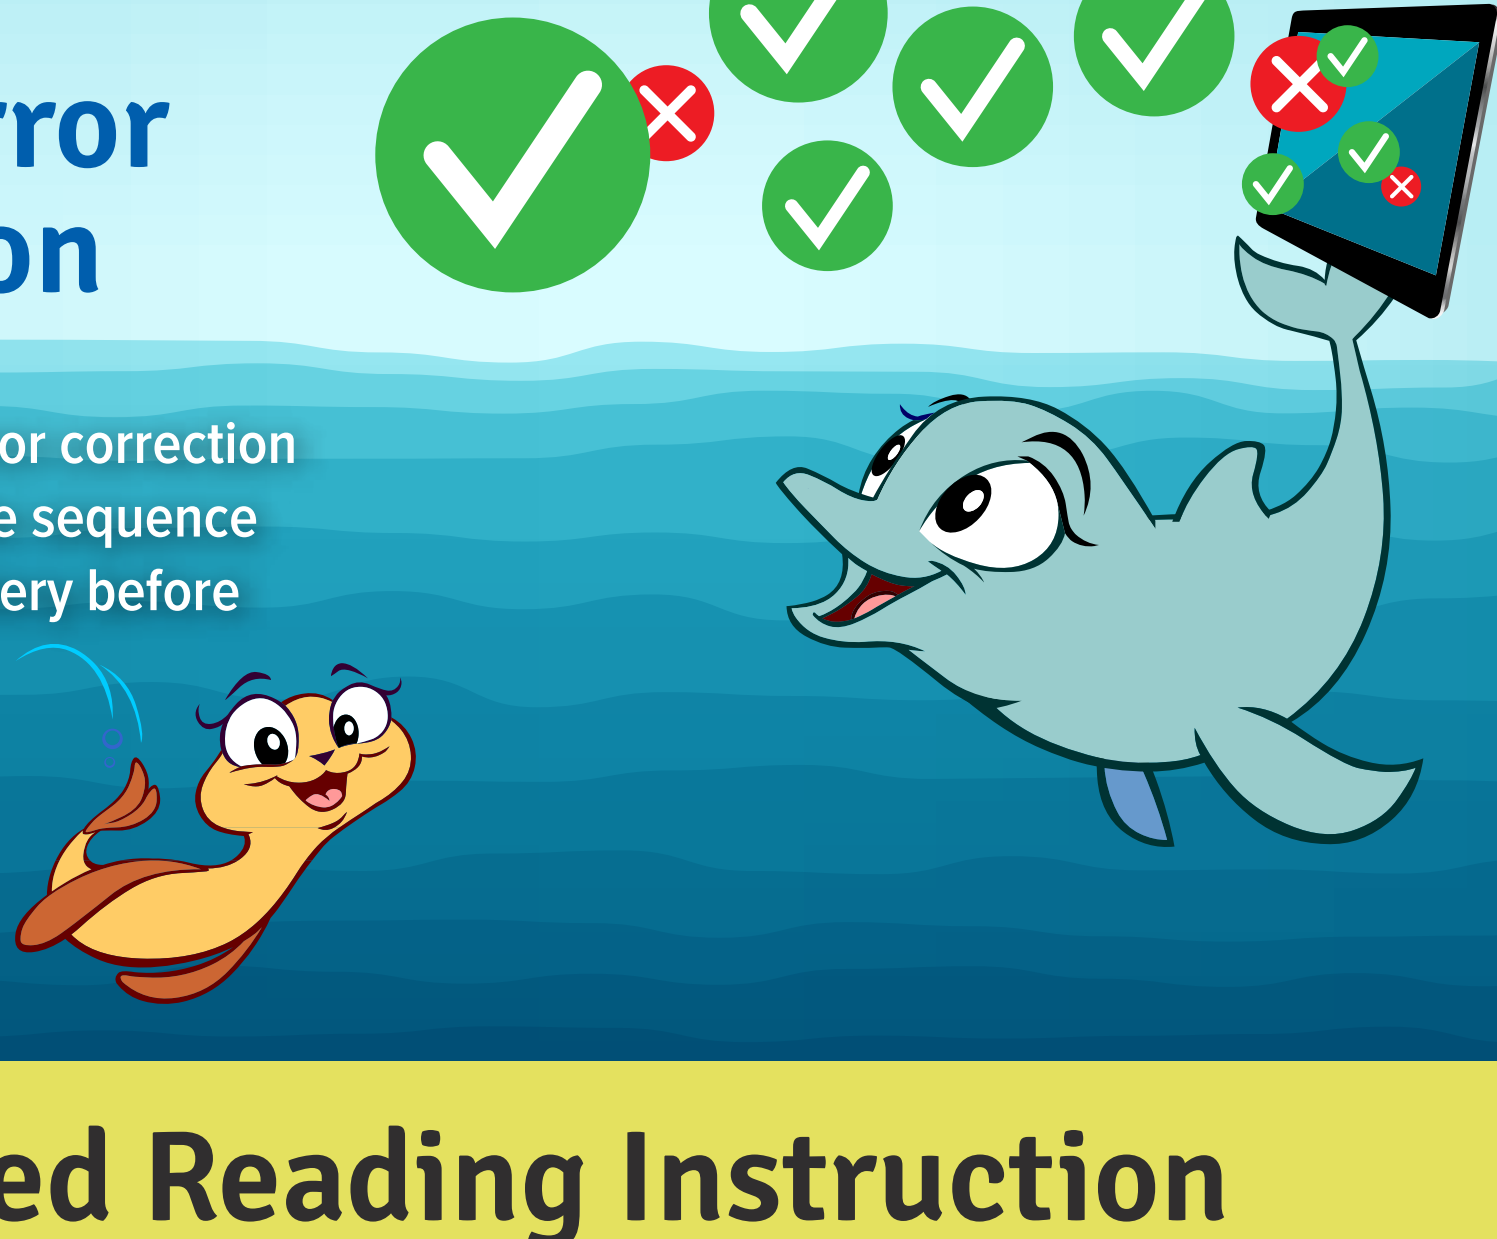

### Vocabulary Building Engine

Patented vocabulary instruction teaches students four vocabulary words in less than five minutes.

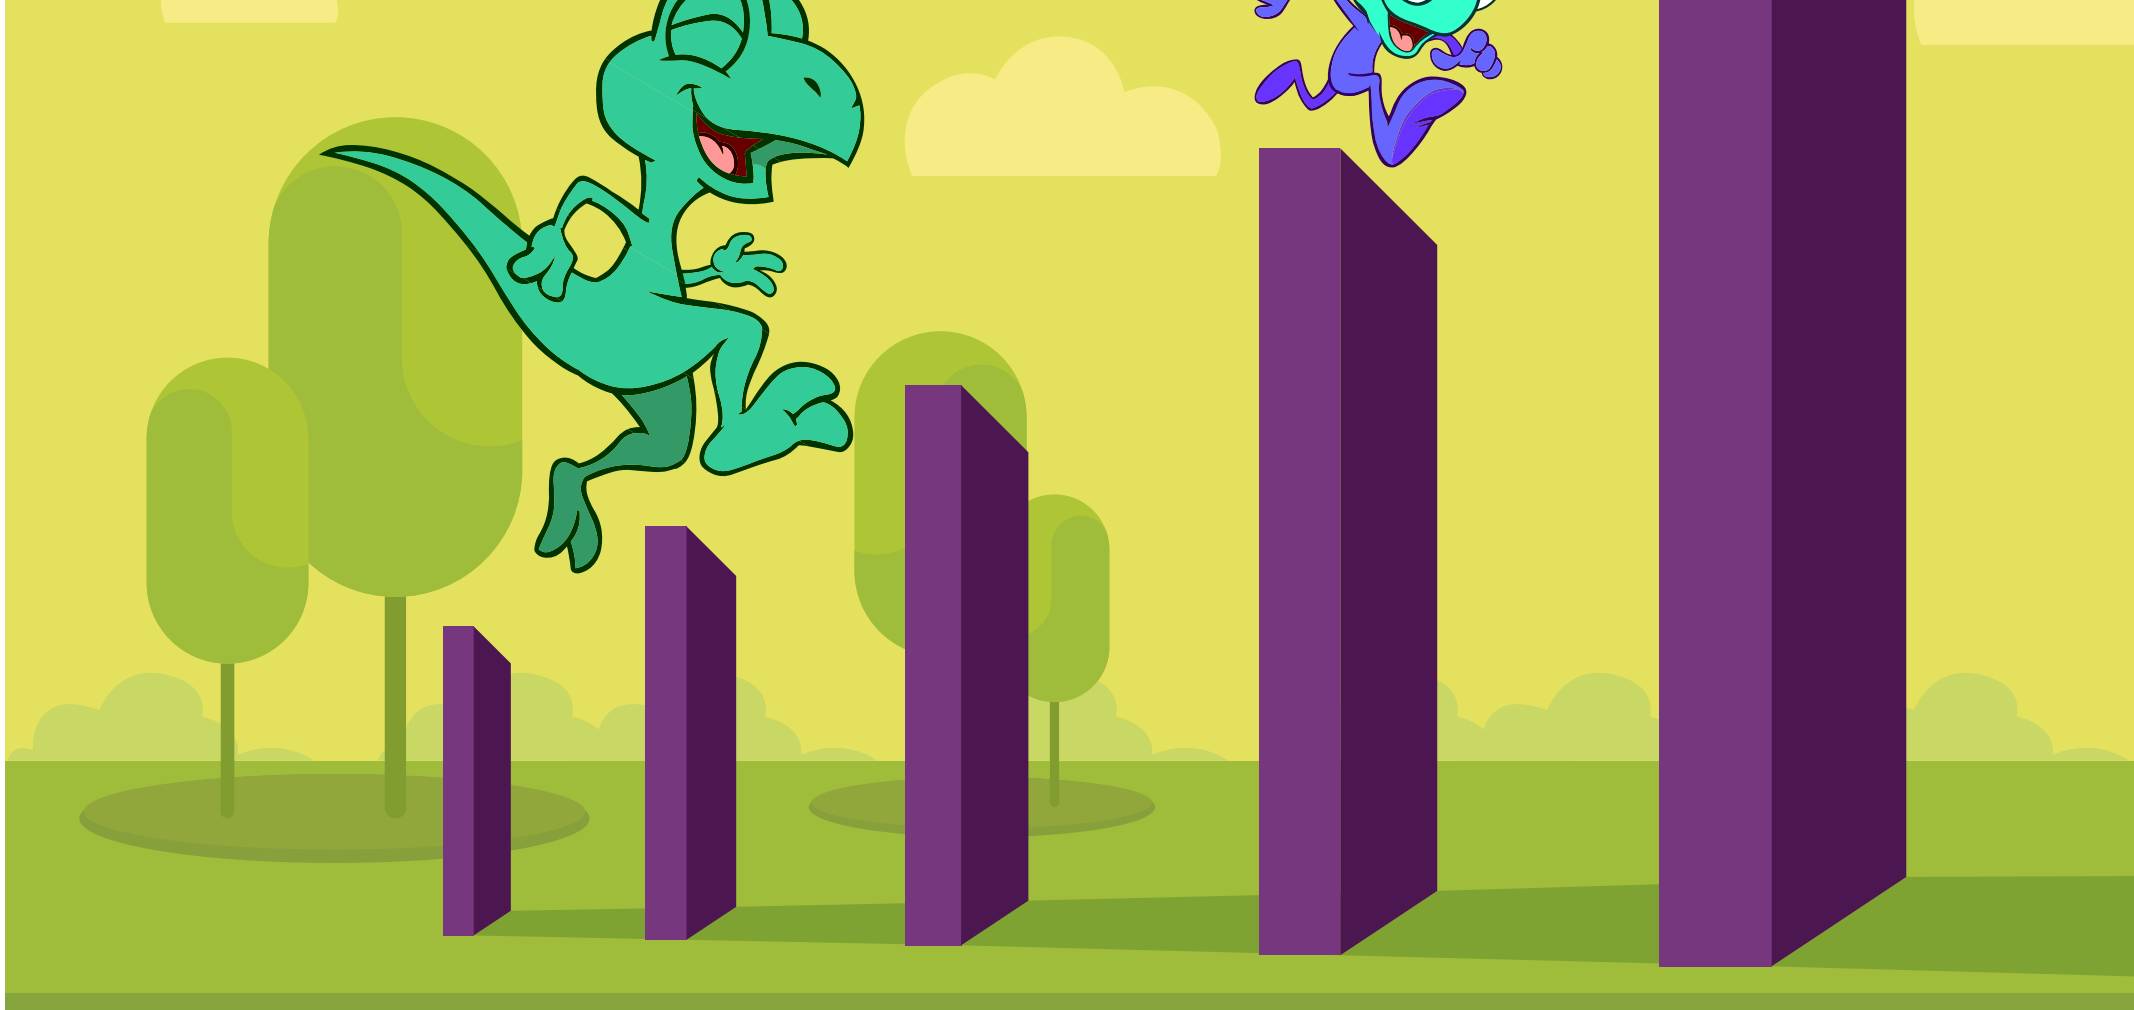

### Smart Error Correction

Multiple levels of error correction embedded within the sequence ensure student mastery before moving on.

### Scaffolded Reading Instruction

Episodes continuously build on core reading foundations to introduce new concepts and ideas.

### Teacher Tested and Approved

**“**  
*I've been here 25 years. I've seen a lot of programs come and go. This is the only thing thus far that has worked.*  
 - Kathy Lavers, Teacher, Nova Scotia, CAN **”**

**“**  
*Our test scores have increased dramatically, and our teachers and students love it.*  
 - Roberto Flores, Principal, Brooklyn, NY **”**

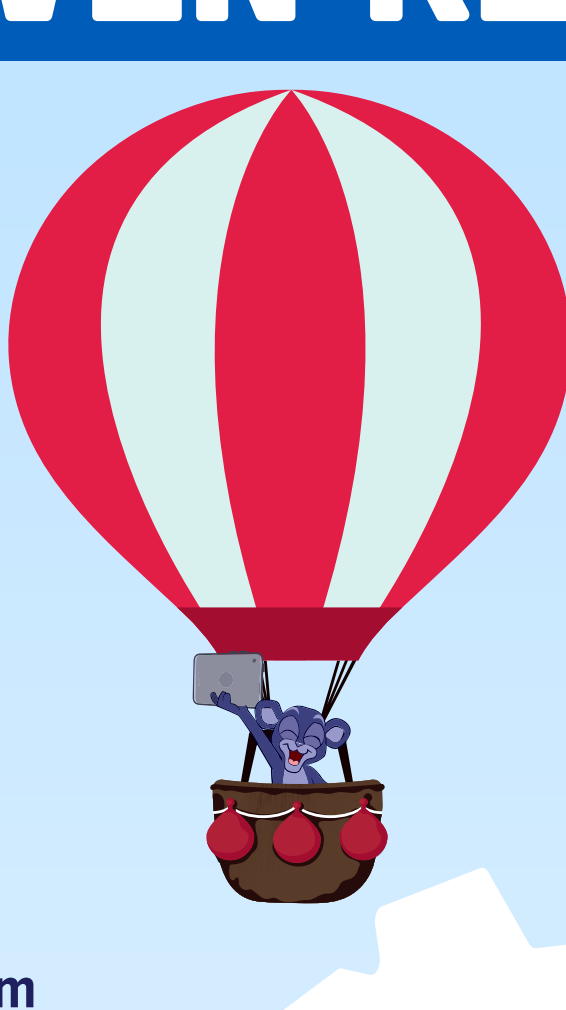

*All of my students who have used Headsprout love it! I have seen an improvement in their reading ability as well as their attitude towards reading. With Headsprout they feel successful and are having fun at the same time!*  
 - Jo Ann Lisciandro, Teacher, Corona, NY

## PROVEN RESULTS

### Effective for ELLs

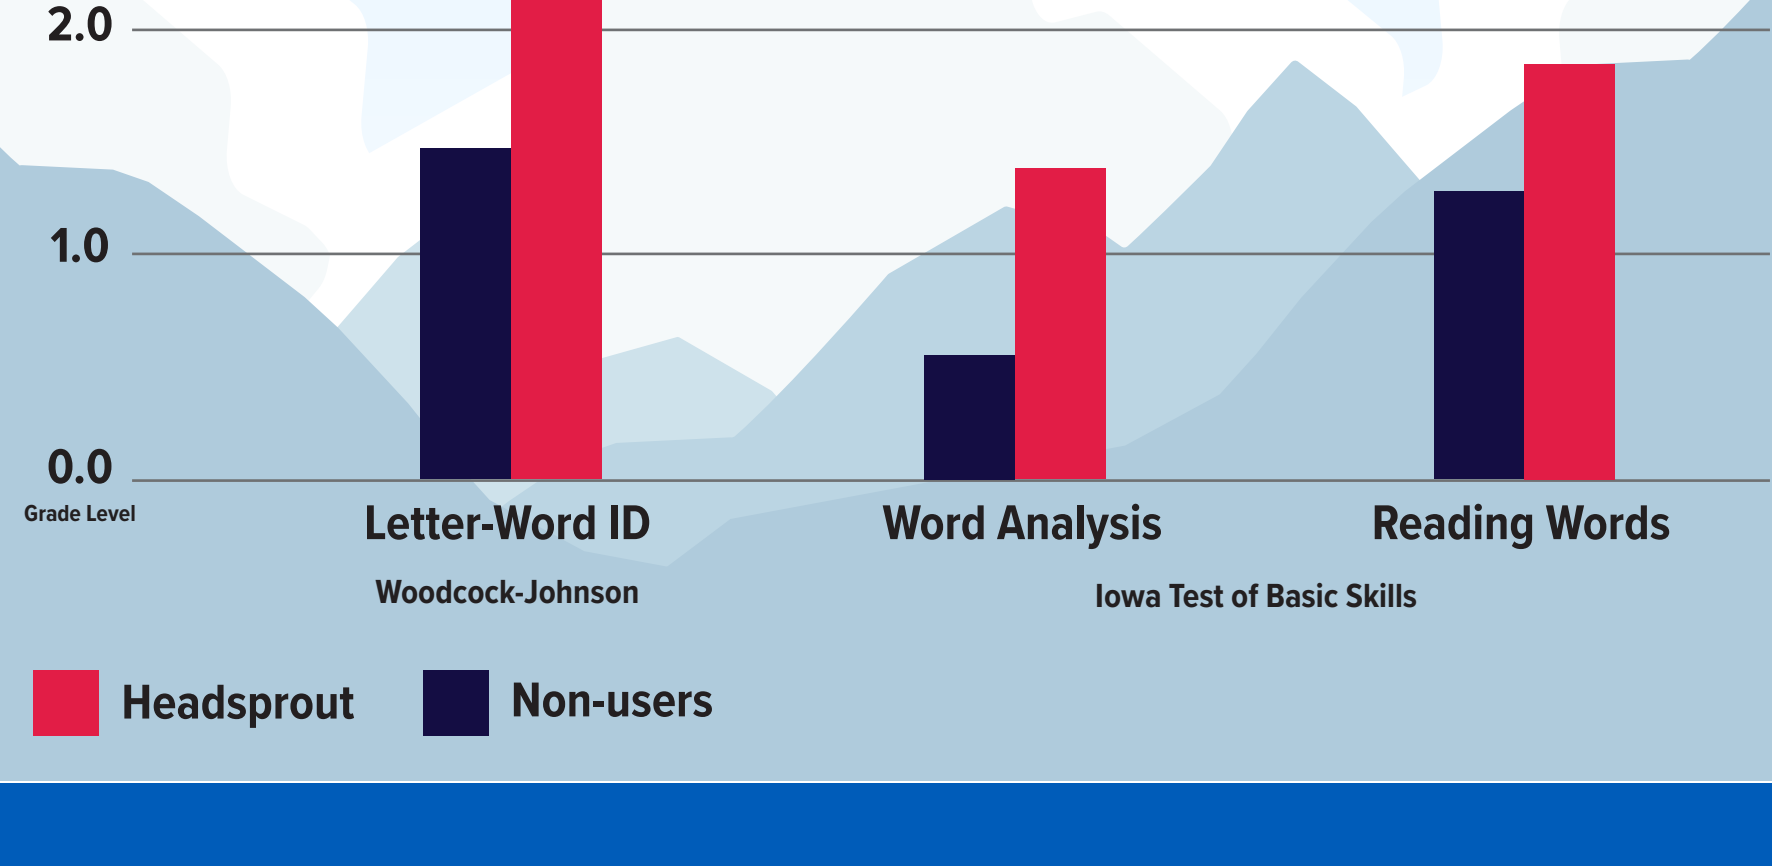

English Language Learners using the program made comparable gains to all other learners, completing the Early Reading sequence with **over 90% correct** in the program.<sup>1</sup>

### Headsprout Users Vs. Non-Users<sup>2</sup>

### First-Grade Standardized-Test Outcomes<sup>3</sup>

## LIKE WHAT YOU SEE?

[Try Headsprout for free](#) and experience its engaging approach to early reading instruction firsthand!

Headsprout is part of the Learning A-Z family of products. Since 2002, Learning A-Z has worked to develop a suite of online educational resources for parents and teachers to successfully reach every student in the classroom and at home. Our goal is to provide the effective, affordable, easy-to-use tools educators require to meet the needs of today's diverse student population.
