

A vibrant tropical sunset scene. The sky is filled with soft, pink and orange clouds. The sun is a bright, glowing orb on the horizon, casting a shimmering path of light across the ocean. In the foreground, dark, jagged rocks are scattered along the shore, with white foam from crashing waves splashing against them. On the left, several palm trees with long, slender trunks and feathery fronds stand silhouetted against the colorful sky. The overall mood is peaceful and serene.

Look! The hot sun  
got up at six.  
It lit up the fog.

It lit up the moss  
on top of the log.

It lit up the red  
on top of the hen.

It lit the red fox  
outside in a den.

The hot sun lit a bug.  
The bug sat on a bud.

It got him up, too!  
He had a dip in the mud!

Look at the hot sun  
on the big web so wet.

The sun did a lot,  
but it has to set.
