Build Knowledge
with Raz-Plus
Learning A-Z

Session Objectives:

- Explore Raz-Plus texts that enable teachers to activate and build student knowledge
- Use the File Cabinet to organize related resources
- Plan for strategic implementation of resources

Notes:

How will I use fiction and nonfiction books effectively to build knowledge?

For successful implementation:

How might I connect the content of Raz-Plus resources with my curriculum?

What teaching methods can I facilitate to support all learners?

How will knowledge application and understanding be assessed?

Topic of Study:

Selected resources:

Instructional Strategy: ☐ Read Aloud ☐ Shared Read ☐ Small Group ☐ Independent Reading

What materials do I need to prepare? (print and digital assignments)
