Adaptive Learning

Students learn to read in their own way and at their own pace. Headsprout teaches a range of critical reading skills through engaging episodes that adapt to each student's unique needs.

Leveled Writing

Writing A-Z delivers a blended approach to writing instruction. Teachers have a wealth of teaching resources and tools available at multiple developmental levels to ensure each student receives the differentiated instruction he or she needs.

Customizable Vocabulary

Vocabulary A-Z allows teachers to choose premade word lists and customizable lessons to connect vocabulary instruction to current topics of study, core reading series, or Learning A-Z resources. They can then assign printable or digital lessons to students for differentiated independent practice, including online game-based activities and quizzes.

A Language Arts Library

Combined together, the resources provided through Headsprout, Writing A-Z, and Vocabulary A-Z offer a complete English language arts package. Resources can be easily differentiated and used in a variety of ways to ensure students have the tools they need to improve their language arts skills.
