

More Essential Resources for UFLI Foundations

When teachers need more:

- Foundational skills support beyond phonics—phonological awareness, print concepts, fluency, word study, and morphology
- **Decodable Books and Passages** for previously taught phonics patterns and fluency practice
- Printable and digital resources to support small groups and independent practice time

Foundations A–Z® delivers a collection of resources that correlate to UFLI Foundations.

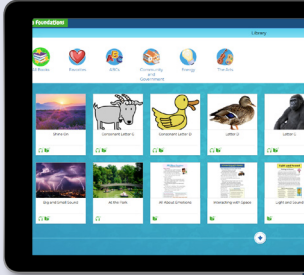

Just filter, select, and then assign, print, or share. More foundational skills essentials are just a few clicks away.

At-Home Learning

Foundations A–Z extends students’ learning beyond the classroom. At home, students can continue their practice while receiving support from their families and caregivers including:

- Assigning activities for practice based on needs
- Rereading past favorites in the **Library**, including **Alphabet Books** and **Decodable Books and Passages**
- Earning stars, personalizing avatars, and annotating digital books

Whole Class Instruction

Teachers can use these resources to integrate critical foundational skills alongside the phonics instruction from UFLI Foundations:

Teacher Modeling Opportunities

- Explore Zone

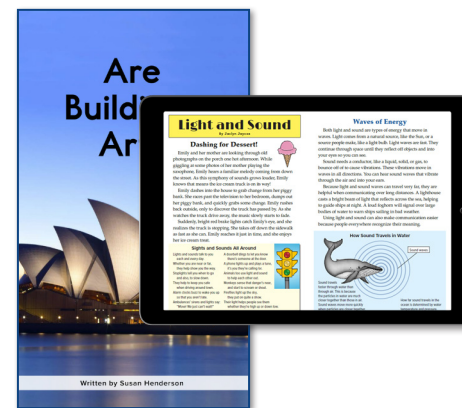

Get More FOUNDATIONAL ESSENTIALS to Support UFLI Foundations

MORE Foundational Skills Support

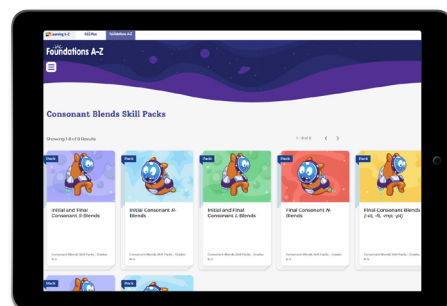

UFLI Foundations provides teachers with strong phonics instruction and resources, but teachers need more support for foundational skills, including phonological awareness, print concepts, fluency, word study, and morphology.

MORE Decodable and Content-Rich Texts

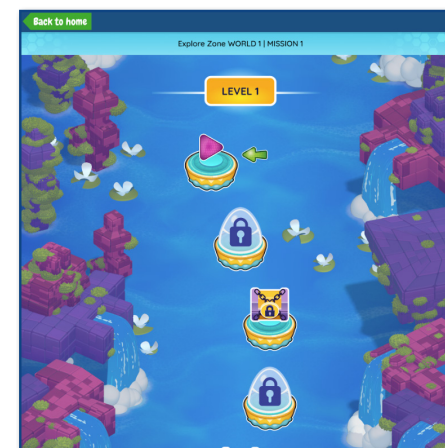

Foundations A-Z offers more **Decodable Books and Passages**, both fiction and nonfiction, to support phonics practice along with a variety of other text types and genres across grades K–5 that deepen literary and content knowledge.

MORE Resources for Small Groups and Learning Centers

Teachers can access more digitally assignable resources to target phonics instruction and support differentiated instruction. The **Phonics Skill Packs** include curated resources organized by individual phonics skills to help students according to their needs.

MORE Opportunities for Independent Practice

Teachers can save more valuable time by inviting students to the Learning A-Z® **Student Portal**. In the **Foundations** planet, students can access the **Explore Zone**, a self-paced practice area that systematically sets them on a path to reinforce skills and unlock more challenging activities as they progress.
