Getting Started Guide

Quick Reference

- A Member Login, using your username and password, grants you access to all Headsprout content.
- B The **Resource Menu** is the heart of Headsprout. Here you will find early reading and reading comprehension episodes, plus benchmark assessments, instructional materials, classroom activities, and more!
- **Manage Students** is the starting point for accessing your student roster, reports, and assignments. This is also where you go to score student activities in your In Basket.

The **Instructional Support** section, located at the bottom of every page, offers helpful information on getting started, instructional tools, reading level correlations, professional learning, and more.
