Getting Started Guide

Member Login, using your username and password, grants you access to all Raz-Kids content.

The Resource Menu is the heart of Raz-Kids. Here you will find all the leveled books and assessments!

Use the Search Bar to quickly find a resource to address a specific topic, skill, or interest.

Manage Students is the starting point for accessing your student roster, reports, and assignments. This is also where you go to score student activities in your In Basket.

The Instructional Support section, located at the bottom of every page, offers helpful information on getting started, instructional tools, reading level correlations, professional learning, and more.
