

# More Essential Resources for Amplify CKLA<sup>®</sup> 2021

Raz-Plus supports teachers who need resources to supplement Amplify CKLA's Skill and Knowledge Strands, including:

- Lessons and activities that develop and **strengthen reading comprehension**
- **Phonological awareness and phonics** lessons, along with fluency practice to build **foundational reading skills and word recognition**
- **Grammar and word work** instruction, practice, and application that target key skills to develop language comprehension
- **Close Read Passages** to build text analysis and critical thinking skills
- **High-interest books** for whole class, small group, and independent practice
- **Shared Reading** books to build content knowledge in science, social studies, technology, and the arts
- **Graphic Books** to increase visual literacy with short texts that include detailed graphic support

## Whole Class Instruction

In Amplify CKLA, students are introduced to natural cycles that make life on Earth possible, such as seasonal cycles, life cycles, and the water cycle in Grade 2. Raz-Plus<sup>®</sup> provides topic-relevant resources to support building knowledge and reading comprehension. Texts include a projectable version for teachers to display as they work with students as well as annotation tools.

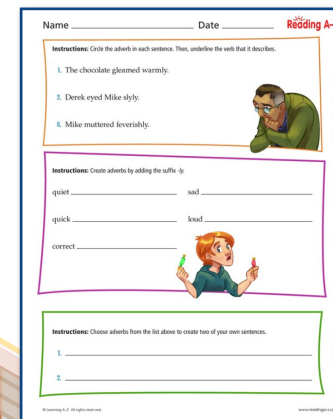

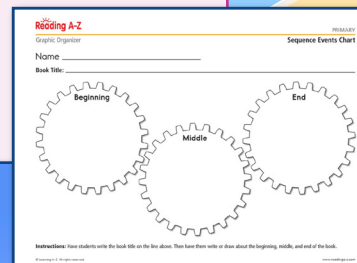

### Knowledge Strand Resources:

- High-interest books by Lexile<sup>®</sup> or grade-level
- Shared Reading Books
- Close Read Passages
- Graphic Books (Grades 3-5)

### Skill Strand Resources:

- Phonics Lessons
- Daily Language Practice
- Graphic Organizers

## Changing Seasons

## Small Group Instruction

Teachers can filter by domain, unit, and skills across grades to find resources that help students build skills, think critically, and deepen knowledge and comprehension in a small group setting. Texts are available at different levels of complexity to meet students' needs.

### Knowledge Strand Resources:

- High-interest books by Lexile or grade level
- Shared Reading Books
- Close Read Passages
- Graphic Books (Grades 3-5)

### Skill Strand Resources:

- Vocabulary Activities
- Grammar and Mechanics Practice Sheets
- Phonics Practice Sheets
- Graphic Organizers
- Daily Language Practice Activity Sheets

## Learning Centers

Give your students the opportunity to practice literacy and language skills in an engaging, hands-on way in the Raz-Plus Learning Centers.

### Skill Strand Resources:

- Grammar and Mechanics Learning Centers
- Writing Learning Centers
- Word Work Learning Centers (available in other units)
- Phonological Awareness & Phonics Centers (available in other units)
- Printable Games (available in other units)

## Independent Practice

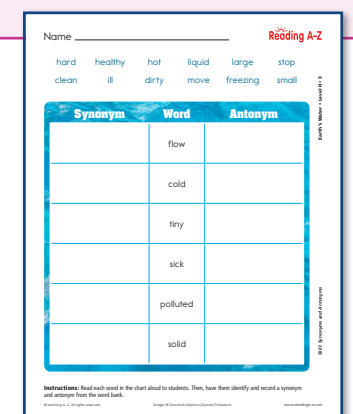

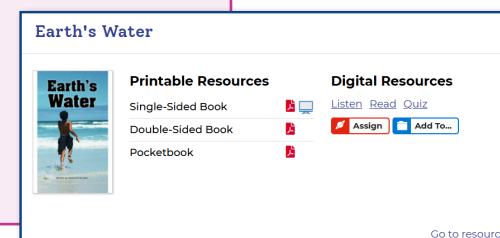

Easily find and select books according to each student's grade level and/or Lexile Level to assign students targeted practice activities that build skills and knowledge. Texts with annotation tools can be assigned so students can read them digitally or listen to an audio version.

### Knowledge-Strand Resources:

- High-interest books by grade or Lexile Level and self-paced assignments
- Shared Reading Books
- Close Read Passages
- Graphic Books (Grades 3-5)

### Skill-Strand Resources:

- Practice Sheets
- Flashcards

## Amplify CKLA 2021
