Dear Team,

Learning A-Z is giving our students the opportunity to donate the stars they earn through reading books and completing activities to help communities in need by providing healthy meals, clean water, and school supplies.

Let's join the Learning A-Z Star Donation Challenge from **April 1 to May 3**. The top-donating classroom in each 50 U.S. states and D.C., as well as in five different countries, will win a class pizza party!

Students who participate in the Learning A-Z Star Donation Challenge:

- Read **3x** as many books
- Complete **4x** as many activities
- Achieve **reading gains** faster
- Make global, **life-changing differences** for those in need

The power of our students' donations can make a real world impact. Here's the breakdown of how our donations can make a difference:

Healthy Meals

- 4,000 stars = One Healthy Snack
- 11,000 stars = One Healthy Meal

Clean Water

- 4,000 stars = 10 Days of Clean Water
- 11,000 stars = 30 Days of Clean Water

School Supplies

- 4,000 stars = School Supplies
- 11,000 stars = Help Build a School

Note: 11,000 star donations are only available to students who use the "intermediate" student portal.
