

Session Objectives:

- Explore options for formative assessments
- Identify skills for enrichment, reinforcement, and reteaching
- Plan for individual and small group instruction

Notes:

What instructional routines will I incorporate to ensure robust student data?

For successful implementation:

What ways can I use the projectable digital tools for my instruction?

What types of lessons can I facilitate? (*whole group, small group, and/or individual*)

How will I assess my students' understanding of the skills and topics?

Logistics:

When will I implement the resources?

How often?

What materials do I need to prepare?
