

More Essential Resources for Wit & Wisdom®

Raz-Plus® offers more foundational skills and language comprehension resources to supplement Wit & Wisdom's core instruction, including:

- **High-interest books** for whole class, small group, and independent practice
- **Close Read Passages** to build text analysis and critical-thinking skills
- **Shared Reading** books to build content knowledge in science, social studies, technology, and the arts
- **Graphic Books** to increase visual literacy with short texts that include detailed graphic support

Just filter, select, and then choose the resources that best support students. A diverse library of literacy essentials is just a few clicks away.

Wit & Wisdom (disclaimer)

Raz-Plus resources can be used alongside Wit & Wisdom to support knowledge and/or skill building.

Whole Class Instruction

In Wit & Wisdom's grade 1, Module 1, students explore the world of books and how they change lives around the world. Raz-Plus provides topic-relevant resources to support building reading comprehension. Texts include a projectable version for teachers to display as they work with students as well as annotation tools.

Thematic Texts:

- High-interest books by Lexile or grade-level
- Shared Reading books
- Close Read Passages
- Graphic Books (Grades 3-5)

Small Group Instruction

Teachers can filter by topic within modules across grades K-5 to find resources that help students think critically while deepening knowledge and comprehension in a small group setting. Texts are available at different levels of complexity to meet students' needs.

Thematic Texts:

- High-interest books by Lexile or grade-level
- Shared Reading books
- Close Read Passages
- Graphic Books (Grades 3-5)

Independent Practice

Easily find and select books according to each student's grade level and/or Lexile Level to assign students targeted practice activities that build knowledge. Texts with annotation tools can be assigned so students can read them digitally or listen to an audio version.

Thematic Texts:

- High-interest books by Lexile or grade-level
- Shared Reading books
- Close Read Passages
- Graphic Books (Grades 3-5)

MORE Resources for Small Groups and Learning Centers

Teachers can access more digitally assignable resources to support knowledge building, including skills such as vocabulary, that boost reading comprehension. This includes a large collection of fiction and non-fiction books and passages students can listen to and/or read in the **Student Portal**. In addition, **Game Packs** used in small-group settings and learning centers allow students to practice literacy in a hands-on, engaging way as they apply their knowledge of skills.

[Learn more about our Game Packs in Raz-Plus.](#)

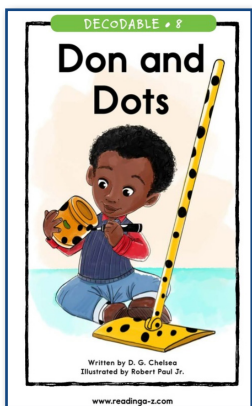

MORE Opportunities for Independent Practice

Teachers can save valuable time by inviting students to the **Student Portal**. Students can access the **Reading Room**, a library of resources customizable by the teacher to read for fun and extend their practice across skill areas. Teachers can also use the **Assignment** feature to assign books based on the topic they are learning to support knowledge building.

[Learn more about the Reading Room in Raz-Plus.](#)

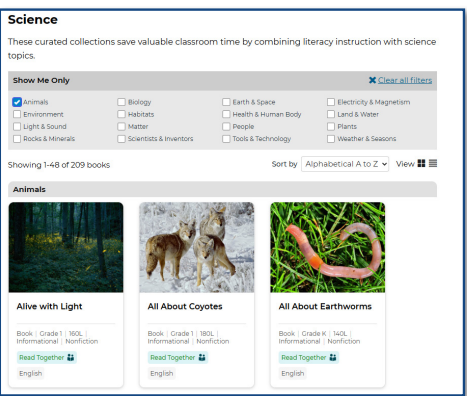

MORE Decodable Texts

Raz-Plus includes decodable lessons, books, and texts designed to help all students understand sound/symbol relationships, as well as the “how” and “why” behind reading. Additionally, select decodable resources are grounded in the Orton-Gillingham method of reading instruction.

[See more decodable resources in Raz-Plus.](#)

MORE Content Area Resources

Raz-Plus supports teachers in combining content-area and literacy instruction with a handpicked collection of books at various levels of complexity. Content areas include Art & Music, Math, Science, Social Studies, Social Stories, and Theme & News Packs all designed to aid students as they learn to read and read to learn.
