Over 7 billion Raz-Kids resources and activities have been accessed online!

Personalized, Interactive Reading Practice for K–5 Students

Raz-Kids is an award-winning digital library of leveled eBooks and eQuizzes that students use to practice reading in school, at home, or on the go. Raz-Kids makes it easy for teachers to differentiate reading practice and monitor student progress online. Plus, the engaging student portal features interactive tools and incentives that keep kids motivated to practice and improve their reading skills.

Key Features

- eBooks at 29 levels of difficulty provide access to developmentally appropriate content for each student.

- Engaging student portal with skill-building interactive tools and incentives make practicing reading fun for kids.

- Automated eQuizzes and running records ensure proficiency in reading comprehension.

- Digital reports with activity and skill development data help inform future instruction.

- Online and mobile access to resources facilitates reading practice anytime, anywhere.

Learning A-Z is a leading education technology company dedicated to improving literacy and providing the support teachers need. Each of our products comes with complimentary training and support services. Contact us at sales@learninga-z.com or 866-889-3731 to learn more.
Leveled Reading Practice You Can Rely On

Raz-Kids Leveled eBooks provide effective, differentiated reading practice at 29 levels of difficulty. Each Raz-Kids eBook is meticulously leveled using the Learning A-Z best-in-class leveling algorithm, which uses qualitative and quantitative measures to ensure an appropriate reading experience for every student. With a variety of fiction and nonfiction genres in each reading level, Raz-Kids eBooks strengthen connections in literacy and content-area instruction.

An Interactive eLearning Experience for Students

Using any computer or mobile device, students using Raz-Kids log in to an online portal that makes it easy for them to access developmentally appropriate content by topic, category, and popularity. With interactive annotation tools, customizable student avatars, badges, and two portal designs, students are engaged and motivated to improve their reading skills. In addition, Raz-Kids keeps track of all student activity, so teachers can easily monitor reading progress.

Start personalizing independent reading practice anytime, anywhere.
