Leveled Reading You Can Rely On

We believe that leveled content is the key to strengthening students’ reading skills. Every leveled text on Reading A-Z is carefully written, edited, and designed to provide effective, standards-aligned learning opportunities. Unlike many other leveling systems, the proprietary algorithm used by Reading A-Z ensures text complexity gradually increases as students progress level-to-level — resulting in the just-right reading experience students need.

Resources for Comprehensive Instruction

Reading A-Z’s robust collection of teaching resources guarantees each student receives the personalized instruction they need to improve their reading skills. Resources are available in multiple formats and can be customized for whole-class or small-group instruction; collaborative lessons and activities help build modern-day reading skills; and running records and assessments make it easy to track reading progress and determine future instruction.

Differentiate reading instruction with best-in-class leveled resources.
