The Reading Essentials Collection

Personalized Instruction

Reading skills are best taught through hands-on instruction. Raz-Plus offers instructional resources and activities designed to enhance reading instruction in various learning environments.

Engaging Practice

In order to refine and improve their reading skills, students must practice regularly. Raz-Plus makes personalized independent reading more accessible with a library of developmentally appropriate books and quizzes in computer-based and mobile formats.

Adaptive Learning

Students learn to read in their own way and at their own pace. Headsprout teaches a range of critical reading skills through engaging episodes that adapt to each student's unique needs.
