Reading is **Thinking**

Summarize

I stop and retell the most important parts in my own words.

Connect

I think about what I already know to help me understand.

Predict

I try to guess what might happen next.

Question

I wonder about what's happening in the text and why.

Visualize

I make pictures in my mind like a movie while I read.

Infer

I use clues in the text to figure out what's happening.
