

ReadyTest A-Z is a 2017 BESSIE award winner!

Grade-Appropriate Tests and Lessons That Build Close Reading and Critical Thinking Skills

ReadyTest A-Z provides a series of online, scaffolded practice tests for grades 3-5 that gives students valuable practice transferring close reading and critical thinking skills to summative ELA assessments. In addition, ReadyTest A-Z provides teachers with instructional materials to model specific reading skills and strategies, and includes automated reporting to help teachers monitor performance and guide instruction.

Key Features

- **Grade-appropriate, online practice tests** help students transfer close reading skills to grade-level passages.
- **Multiple levels of built-in support**, including instant feedback and highlighted clues in text, facilitate self-learning.
- **Teacher-led lessons** model effective reading skills and strategies to build confidence and increase stamina.
- **Automated reports** show student progress and inform teachers about areas that require additional instruction.

Skill-Building Practice Tests

ReadyTest A-Z offers a series of scaffolded practice tests for grades 3–5 that provides experience with a variety of question formats. Each online practice test features multiple levels of built-in support, including instant feedback on all correct and incorrect answers, as well as highlighted clues in the text to guide students to the information they'll need to find the right answer.

Printable and Projectable Lessons

ReadyTest A-Z also includes teacher-led lessons that develop reading skills, build confidence, and increase stamina. Each lesson introduces and models a specific skill or strategy, such as analyzing various text structures, performing close analysis of texts, self-monitoring comprehension, and maintaining focus for increasing lengths of time.

Help your students develop their close reading and critical thinking skills.
