## Use Science to Teach Reading. Use Reading to Teach Science.

Science A-Z offers thousands of multilevel books and teaching materials available in printable, projectable, and digital formats for a flexible learning experience. Resources can be easily customized for one-to-one, small-group, or whole-class instruction. And with the product's engaging eLearning environment, students can access their reading resources and activity sheets anytime, anywhere.

## Hands-On Learning Opportunities

Science A-Z delivers a number of engaging experiments, activities, and projects. With an inquiry-based approach to science and engineering, the product allows teachers to provide meaningful opportunities that apply STEM concepts and practices, and teach students to make observations, analyze data, and draw conclusions. Additional resources suggest ways that teachers can challenge students to ask questions and pursue answers.

**Develop students' science knowledge and practice while supporting key literacy skills.**
