Learning A-Z Named a Top Company to Work for in Arizona for the Sixth Consecutive Year

Tucson, AZ—July 3, 2020—For the sixth year in a row, AZCentral.com (part of the USA TODAY network) has named Learning A-Z one of the Top Companies to Work for in Arizona. In 2020, only 120 companies in Arizona earned the honor of making this list.

AZCentral.com’s Top Companies to Work for in Arizona is a survey competition to determine which participants are the best employers. The process is managed by Best Companies Group (BCG), an independent research firm specializing in identifying and recognizing great places to work. BCG conducted two surveys to gather detailed data about employer benefits and policies and employee engagement and satisfaction. BCG analyzed the data and determined the winners, who were then published by AZCentral.com.

Learning A-Z was recognized in the “Medium Company Listings,” which includes companies with 100 to 999 employees. The education technology leader is headquartered in Tucson and employs 380 people in Arizona and across the United States.

“Top companies are the result of employing the top people in their fields, and being named to this list is particularly meaningful this year,” said Lisa O’Masta, president of Learning A-Z. “Amidst all of the changes happening in schools due to the COVID-19 pandemic, our employees have been steadfast in their support of teachers, administrators, and families. Whether students are learning in the classroom, in a virtual environment, or in a blended learning model, they are benefitting from the vast expertise of our employees, many of whom are former teachers. Making the Top Companies list again demonstrates how much our employees enjoy their work and love working for this company.”

According to the AZCentral.com listing, “The culture and passion that Learning A-Z employees bring to work with them on a daily basis makes the organization a ‘best’ place to work. The organization cultivates an environment of entrepreneurial spirit, gratitude and trust in one another by offering fun, connecting activities such as employee outings and charitable events and a company calendar contest with photography from staff members.”

The Top Companies celebration event will be held October 8 in Chandler, Ariz. For information on the Top Companies to Work for in Arizona, visit: https://topcompaniesarizona.com/
