Using Vocabulary A-Z with Raz-Plus Learning A-Z

Session Objectives:

- Locate resources for teaching vocabulary using direct and indirect methods
- Personalize student assignments to reinforce instruction and provide opportunities for practice
- Plan for strategic implementation using Vocabulary A-Z with Raz-Plus

Notes:

What is a new practice or resource I will try out in my classroom in the coming weeks?

For successful implementation:

How will I integrate resources from both programs to support vocabulary instruction?

What Vocabulary A-Z and Raz-Plus tools and features can I use to personalize assignments?

How will I assess my students' understanding of the vocabulary?

Logistics:

When will I implement the resources?

How often?

What materials do I need to prepare? Print and/or digital assignments?
