How to Assign Resources in Vocabulary A-Z

The Assignments Feature saves you valuable time while strengthening the connection between instruction and practice. You can easily assign resources to your whole class, small group, or individual students.

 From the Premade Lessons or Custom Lessons menu, navigate to a lesson and select it by clicking on the lesson resource image or word list.

- 2 Vocabulary A-Z will display printable resources and assignable digital resources, along with the lesson word list. Click the Assign button to preview activities and assign them to your students.
- **3** Vocabulary A-Z will display the lesson name and provide options for how to sequence lesson-related activities.
 - Sequenced activities provide four randomly chosen activities in sequence, followed by a quiz.
 - Student selection allows students to select and complete four activities, followed by a quiz.
 - Intervention allows teachers to assign activities.
